

Family AI Agreement

Our Guide to Using AI Safely and Responsibly Together

Introduction

This agreement helps our family use AI in ways that are safe, honest, and helpful. We created this together and agree to follow these guidelines.

Date Created: _____ **Review Date:** _____ (suggest every 6 months)

Our Family's AI Values

We believe AI should be used to:

-  Learn and grow
-  Solve problems creatively
-  Save time on routine tasks
-  Support each other
-  Enhance our abilities

We agree AI should NOT be used to:

-  Cheat or deceive
 -  Replace thinking
 -  Harm or bully others
 -  Share private information
 -  Avoid responsibility
-

Privacy & Safety Rules

What We Will NEVER Share with AI:

☐ Full names with location details ☐ Complete home address ☐ Phone numbers ☐ Email addresses (with identifying info) ☐ Passwords or PINs ☐ Bank or credit card details ☐ National Insurance/Social Security numbers ☐ Medical record numbers ☐ Photos showing faces or identifiable features ☐ School names with personal details ☐ Exact locations or routines

How We'll Protect Privacy:

☐ Use general terms instead of specific details ☐ Remove identifying information before sharing ☐ Think before we type ☐ Ask a parent/guardian if unsure

Example:

-  "My son Jake, age 7, at Riverside Primary..."
 -  "My 7-year-old is learning..."
-

Homework & School Work

We Agree To:

☐ **Use AI to LEARN**, not to cheat ☐ **Ask AI to explain**, not do our work ☐ **Write in our own words** ☐ **Show our working and thinking** ☐ **Tell teachers when we use AI** (if required) ☐ **Never copy-paste** AI responses as our own work

For Parents/Guardians:

☐ Help children use AI appropriately ☐ Supervise younger children's AI use ☐ Check that children understand their work ☐ Communicate with teachers about AI use ☐ Teach the difference between help and cheating

For Children/Students:

☐ Only use AI in ways my school allows ☐ Ask for help if I don't understand something ☐ Do my own thinking and writing ☐ Be honest about using AI ☐ Come to parents if I feel pressured to cheat

Age-Appropriate Use

For Children Under 13:

☐ Only use AI with parent/guardian present ☐ Parent/guardian reads all prompts and responses ☐ Stick to approved activities:

- Learning explanations
 - Creative stories
 - Age-appropriate questions ☐ No chatting as if AI is a friend ☐ Regular breaks from screen time
-

For Ages 13-16:

☐ Use AI with parent/guardian nearby ☐ Regular check-ins about what I'm doing ☐ Follow all safety and privacy rules ☐ No using AI for inappropriate content ☐ No pretending AI-generated work is mine ☐ Come to parents with concerns or questions

For Ages 16+:

☐ Use AI responsibly and ethically ☐ Follow academic integrity rules ☐ Protect privacy (mine and others') ☐ Think critically about AI responses ☐ Help younger siblings use AI safely ☐ Discuss AI use openly with family

Approved AI Uses for Our Family

☒ We CAN Use AI For:

Learning & Education: ☐ Explaining difficult concepts ☐ Understanding homework topics ☐ Practice questions and quizzes ☐ Study techniques and organization ☐ Learning new skills

Family Organization: ☐ Meal planning and recipes ☐ Activity ideas and planning ☐ Travel research and itineraries ☐ Schedule organization ☐ Shopping lists

Creative Projects: ☐ Story ideas and brainstorming ☐ Craft project suggestions ☐
Party planning ideas ☐ Creative writing prompts ☐ Problem-solving

Communication: ☐ Writing emails (with guidance) ☐ Improving written communication
☐ Translating languages ☐ Simplifying complex text ☐ Letter writing

Personal Growth: ☐ Learning about interests ☐ Developing skills ☐ Exploring careers ☐

☐ Bullying, harassment, or mean behavior ☐ Generating inappropriate content ☐
Medical, legal, or financial advice ☐ Decisions that need professional help ☐
Impersonating others ☐ Creating false information ☐ Evading consequences ☐ Anything
we'd hide from parents/teachers

Fact-Checking & Critical Thinking

We Agree To:

☐ **Question everything** AI tells us ☐ **Verify important information** from trusted
sources ☐ **Use multiple sources** for research ☐ **Think critically** about AI responses ☐
Recognize AI can make mistakes ☐ **Not believe something** just because AI said it

Our Fact-Checking Process:

1. AI gives us information
2. We ask: "Does this make sense?"
3. We check 2-3 other reliable sources
4. We discuss as a family if unsure
5. We use human experts for important decisions

Trusted Sources We'll Use:

- _____ (add your trusted sources)

- _____

- _____

Communication & Openness

We Promise To:

☐ **Talk openly** about AI use in our family ☐ **Ask questions** when we're unsure ☐ **Admit mistakes** without fear of harsh punishment ☐ **Share concerns** about AI safety or misuse ☐ **Listen to each other's** perspectives ☐ **Update this agreement** as we learn more

No Judgement Zone:

If someone makes a mistake with AI use, we will:

1. Talk about it calmly
 2. Understand why it happened
 3. Learn from it together
 4. Adjust our rules if needed
 5. Move forward positively
-

Screen Time & Balance

We Agree To:

☐ **Limit AI chatting** to reasonable amounts ☐ **Take regular breaks** from screens ☐ **Do non-AI activities** every day ☐ **Prioritize real-world** interactions ☐ **Not let AI replace** human relationships

Our Screen Time Rules:

On School Days:

- Maximum AI use: ____ minutes/hours
- No AI after: ____ pm
- Homework AI use: supervised/monitored

On Weekends:

- Maximum AI use: ____ minutes/hours
- Balance with other activities

AI-Free Times: ☐ During family meals ☐ During family time ☐ Before bed (last ____ hour) ☐ Other: _____

Consequences & Accountability

If Someone Breaks This Agreement:**First Time:**

1. Calm conversation about what happened
2. Discussion of why the rule exists
3. Reminder of expectations
4. No consequences if honest and learning

Repeated Issues:

1. Temporary loss of AI access
2. Increased supervision
3. Required check-ins
4. Work together to solve underlying issue

Serious Violations (cheating, sharing private info, bullying):

1. Immediate loss of AI privileges
2. Family meeting to discuss
3. Natural consequences (e.g., school penalties for cheating)
4. Plan for earning back trust
5. Professional help if needed

Special Situations

When Someone Feels Uncomfortable:

If AI responses make anyone uncomfortable: ☐ Stop immediately ☐ Tell a parent/guardian ☐ Discuss what happened ☐ Block/report if appropriate ☐ Learn from the experience

If We See Others Misusing AI:

☐ Don't participate or encourage it ☐ Gently suggest better behavior ☐ Tell a trusted adult if serious ☐ Remember: we're not tattling, we're helping

If AI Gives Concerning Information:

☐ Show a parent/guardian immediately ☐ Don't follow questionable advice ☐ Discuss as a family ☐ Report to platform if needed
